

NURSERY ANNOUNCEMENT

November 15, 2019

Dear Patient and Future Patients,

As a result of new policy changes at Shady Grove Hospital, Potomac Pediatrics is sad to announce that as of November 15, 2019, we will no longer be seeing newborns in the well-baby nursery. Your children will be well cared for by the hospital staff pediatrician. As always, if issues come up, please call us at (301) 279-6750 as we are here to be your child's advocate regardless of where they are receiving medical care. Upon discharge from the hospital call our office so we can schedule your first in office visit.

Thank You,

Pediatricians at Potomac Pediatrics
